

```
patelkp7@compile:~/p3
[patelkp7@compile p3]$ ./sh257 -p patelkp7
patelkp7> exit
Terminated
[patelkp7@compile p3]$
```

A terminal window with a title bar containing a window icon, the text 'patelkp7@compile:~/p3', and standard window controls (minimize, maximize, close). The terminal content shows a user running a script './sh257 -p patelkp7', which then prompts 'patelkp7> exit'. The user enters 'exit', and the terminal displays 'Terminated' before returning to the shell prompt '[patelkp7@compile p3]\$' with a green cursor.
